Now in its fourth decade, the Land of Lakes Choirboys includes more than 100 boys in six groups, including an alumni choir. This three-week tour of the Nordic Choir takes them to South Dakota, Montana, Wyoming, Utah, California, Nevada, Colorado, Nebraska, Iowa, and Minnesota.

Pacific Coast Harmony

<http://www.pacificcoastharmony.org/>

Pacific Coast Harmony is the chorus of the La Jolla Chapter of the [Barbershop Harmony Society](#). In the tradition of the uniquely American, *a cappella* style known as Barbershop Music, we strive to attain excellence. We have a very active [Youth In Harmony](#) program dedicated to the goal of attracting more young men to choir, and to give them an incentive to stay in school and work diligently. Volunteers to assist in this program are welcome and needed.
