

Inaugural San Diego County Real Men Sing Barbershop Clinic January 24, 2009, 2-5 PM

YMIH Festival, September 8, 2007. Almost 200 young singers from southern Arizona high schools attended the event, sponsored by the Tucson Unified School District, and local barbershop chapters.

Male vocal music students are invited to attend this clinic. This **FREE** event will feature learning and performing harmony in the four-part a cappella barbershop style. Students will learn various elements of the style from a certified music clinician. The students will be coached by a top-tier International barbershop quartet, the [Ringmasters](#) from Sweden. They are the 2008 International Collegiate Barbershop Quartet Champions, and the second non-American group to win a barbershop gold medal in any category.

Students will be provided with learning materials in advance for several songs and be coached on them during the clinic. These materials are available at our website: <http://www.pacificcoastharmony.org/Youth/> click on sheet music and learning tracks in the Youth Chorus article. Listening to the songs ahead of time will make learning faster on Saturday.

The event will conclude with an evening show that will be open to the public (see attached flyer). Students will perform the music they learned throughout the day with the Ringmasters. They will be joined by local quartets and other vocal ensembles, who will perform their own repertoire as part of the show. The Ringmasters will also perform part of their extensive repertoire.
