

The La Jolla Chapter of the Barbershop Harmony Society Presents:

Almost Home For The Holidays

Join us in getting stranded in Denver International Airport on Christmas Eve. Weary travelers learn the Secret of Christmas in vignettes of poignant personal stories, and hilarious sketches of holiday spirit. A stressful situation is made bearable and enjoyable by understanding, camaraderie and, of course, songs in the barbershop style.

As part of the **PERFORMING ARTS AT THE NEUROSCIENCES INSTITUTE** series.

Pacific Coast Harmony, the chorus of the La Jolla Chapter of the Barbershop Harmony Society, presents its annual Holiday Show in the acoustically acclaimed theater at **The Neurosciences Institute** in La Jolla, on **Saturday December 16th**. We invite you to experience the harmonies of this award-winning chorus and ensembles performing novel renditions of a variety of holiday classics.
